Welcome!

Congratulations on your purchase of Golden Tee Home Edition! Everything you need is in the plastic parts bag attached to the front of the cabinet:

(1) Marquee Header    (1) Game Manual    (1) Power Cord    (1) HDMI Cable

Let’s Get You Hooked Up

Connect the USB Cables
Lift the control panel and locate the two USB cables. Connect one USB cable to the I/O Board and the other one to the Cabinet Identification Device (CID). See Manual for images.

Connect the HDMI Cable
Connect the HDMI cable (supplied) to the HDMI output on the Nighthawk System Box (Computer inside the cabinet). Route the cable through the clip under the lock on the back wall of the game and down through the access panel on the lower back of the cabinet. Connect the other end of the HDMI cable to the proper HDMI input on your HDTV. On the HDTV menu, select the appropriate HDMI Input.

Nighthawk System Box
Power Up

Connect the power cable to the socket on the back of the cabinet. Then plug the cable into a 3-pronged, grounded wall socket. Locate the power switch on the back of the cabinet and turn it ON. YOU ARE NOW READY TO PLAY!

Want to go online and play in a live tournament?

After making all your connections you are ready to get online. First, fill out the Online Subscription Form and e-mail it to jpick@itsgames.com. Please do not attempt to connect to the Internet until your subscription is confirmed via e-mail. Then follow the instructions in the Online Access Configuration Guide.

The forms can be found at http://amusement.itsgames.com/service/manuals at the GOLDEN TEE GOLF ONLINE HOME EDITION section. The forms and additional information can be found at http://home.goldentee.com/pages/new-owners
