

GT PGA TOUR CLUBHOUSE EDITION MENUS GUIDE

NAVIGATING THE MENU SYSTEM

The System Setup menus cover a variety of important areas including tests, game adjustments, and optional settings. You should familiarize yourself with these menus because they are important for changing your game cabinet settings.

ENTERING SYSTEM SETUP MODE

To access System Setup Menus reach under the front right side of the cabinet and press the red button to access the game's Menu system.

SELECTING A MENU

A menu option can be selected at any time by rolling the trackball up or down or by pressing the Left or Right buttons.

CHOOSING A MENU/OPTION

A menu option can be chosen at any time by pressing the Start button.

CHANGING A VALUE

A value can be changed at any time by rolling the trackball left or right.

MAIN MENU

The Main Menu displays five main areas that make up System Setup mode. Please familiarize yourself with these areas, as they will help you maximize your earnings potential.

Collections & Earnings (Not Available)

Not available on the Golden Tee PGA TOUR Clubhouse Edition.

General Settings (page 2)

This area allows you to change adjustments, perform system tests, and reset your game back to factory settings.

Golden Tee Settings & Audits (page 9)

This area allows you to adjust settings specific to the Golden Tee PGA TOUR Clubhouse Edition including the game adjustments, game audits and leaderboards.

ITNet Settings (page 12)

This section details various ITNet settings, such as game registration and connection settings with ITNet.

Exit

This will exit the System Setup menus and take you back into the game's attract mode.

Main Menu This will exit you back to the attract mode. This will exit you back to the attract mode. GENERAL SETTINGS

Various adjustable settings for the cabinet divided into two sections:

Operator Adjustables

This area allows you to adjust options like volume and attract mode sounds.

System Tests

This area allows you to perform diagnostics including video adjustments, input tests, and sound tests.

Back

This will take you back to the Main Menu.

OPERATOR ADJUSTABLES

Operator Adjustables lets you change the game mode and show all advertisements, change sound settings and reset to factory defaults.

General Adjustments

This allows you to adjust options like game mode and advertisements.

Money Slot Adjustments (Not Available)

Not available on the Golden Tee PGA TOUR Clubhouse Edition.

Sound Adjustments

Allows you to adjust the various sound settings including attract mode sounds, game volume, and stereo setup.

Collection Settings (Not Available)

Not available on the Golden Tee PGA TOUR Clubhouse Edition.

Reset to Factory Settings

This option allows you to reset all the settings to factory defaults.

Back

This will take you back to the **General Settings** menu.

GENERAL ADJUSTMENTS

Allows you to adjust game mode and advertisements settings.

SYSTEM TESTS

This area allows you to perform diagnostics including video adjustments, input tests, and sound tests.

Video Tests

This area has tests that will help you to adjust your game's color, contrast, and screen size.

Sound Tests

This area has tests that will help you adjust your game's audio setup by playing a stored sound, a streaming sound, and testing the speaker(s).

Player Control Tests

This option allows you to test all inputs.

Mechanical Meter (Not Available)

Not available on the Golden Tee PGA TOUR Clubhouse Edition.

Hardware Tests

This area includes a series of diagnostic screens and tests to help you make sure your game is functioning correctly.

Back

This will take you back to the General Settings menu.

VIDEO TESTS

The Video Tests section has a variety of tests that will help you adjust your monitor.

Color Test

This area will take you to a series of tests to adjust your monitor's RGB settings to have each color display properly.

Contrast Test

This area will take you to a series of tests to adjust your monitor's brightness/contrast so the game displays properly.

Screen Size Adjustments

Use this screen to align your monitor so that all the circles appear as circles and the boundary line appears on the edge of each side of the screen.

Back

This will take you back to the System Tests menu.

Golden Tee™ PGA TOUR[®] Clubhouse Edition

4

Color Grid Adjustment

Adjust your monitor to have each colored box display properly.

Red Screen

Adjust your monitor to have red display properly.

Green Screen Adjust your monitor to have green display properly.

Blue Screen Adjust your monitor to have blue display properly.

Back

This will take you back to the Video Tests menu.

CONTRAST TEST

White Screen

Adjust your monitor to have white display properly.

50% White Screen

Adjust your monitor to have 50% white display properly.

25% White Screen

Adjust your monitor to have 25% white display properly.

Black Screen

Adjust your monitor to have black display properly.

Contrast Screen

This option is a test you can use to adjust your monitor's contrast and brightness settings to have the boxes displayed properly.

Note: May not work on older or often used monitors. If you have a monitor that's old or has been used often you may not be able to adjust the contrast and/or brightness levels accordingly. In this case adjust the monitor for best performance while getting close to the recommended settings.

Contrast Screen

This option is a test you can use to adjust your monitor's contrast and brightness settings to have the boxes displayed properly.

Back

This will take you back to the Video Tests menu.

Golden Tee™ PGA TOUR® Clubhouse Edition

5

Use this screen to adjust the size and aspect ratio of your picture. Press the Start button to exit.

You may need to adjust this screen to see the complete image. Use the trackball to highlight BIGGER or SMALLER and press the Start button to adjust the screen image. Press DONE to exit.

Note: Adjusting the screen size will prompt a reboot upon exit of this menu.

SOUND TESTS

Stored Sound

This will play a stored sound so you can make sure your audio setup is functioning properly.

Streaming Sound

This will play a streaming sound so you can make sure your audio setup is functioning properly.

Speaker Test

This test will say MONO if you have your game set to Mono or LEFT and RIGHT if you have it set to stereo so you can make sure your audio setup is functioning properly.

Back

This will take you back to the **System Tests** menu.

PLAYER CONTROL TESTS

Some of the features on this screen, such as Coin 1 and Coin 2 are not available on the Golden Tee PGA TOUR Clubhouse Edition.

Use this screen to test all of the inputs, including the trackball and buttons. When an input is active the appropriate graphic image will light. Press the Left, Right and Start buttons simultaneously to exit this test screen.

When testing the trackball, the Current value will change depending on the direction the ball is spinning. The Max value will display the largest number reached during the test.

There is no exact number to determine whether a trackball is malfunctioning, but in general the Max number should be close to the same when spinning up and down, and close to the same when spinning left and right.

On the keypad the numbers illuminate when pressed.

CHECK HARD DRIVE

Check File Data

This test checks the integrity of your hard drive's data. Select

Begin Test to initiate the process.

Note: This test can take up to 3 hours to complete.

If this test succeeds you will see the message: **Status: Hard Drive Functioning Properly.** If this test fails, you will see the message: **Hard Drive Error (#)**

Select **Back** to skip the test and return to the **Check Hard Drive** menu.

Check File System

This test REBOOTS YOUR GAME and performs a low level systems check of the integrity of your hard drive.

Note: This can take several minutes.

Check Hard Drive Health

This runs a test on your hard drive to determine its overall condition

Back

This will take you back to the Hardware Tests menu.

CHECK COOLING

This checks that your game is functioning at the proper temperature and all fans are working. The current status is colorcoded for easy viewing. If the results are displayed in green, your cabinet is at normal settings.

Back

The Back button takes you back to the **Hardware Tests** menu.

Golden Tee™ PGA TOUR[®] Clubhouse Edition

GOLDEN TEE SETTINGS

Note: Some of these settings can be turned "On" but if listed below as "Not Available" they will NOT Work.

LIVE Prizes (Not Available)

Not available on Golden Tee PGA TOUR Clubhouse Edition.

Delay of Game Timeout

Adjust the timer that senses activity between shots.

Closest To The Pin LIVE (Not Available)

Not available on Golden Tee PGA TOUR Clubhouse Edition.

Hole-N-Win (Not Available)

Not available on Golden Tee PGA TOUR Clubhouse Edition.

Money Shot (Not Available)

Not available on Golden Tee PGA TOUR Clubhouse Edition.

More

Selecting More brings you to a second page of Golden Tee settings.

Locked Conditions

Activates the ability for the game to allow for special contests where course conditions are the same for each player.

Daily Prize Contest (Not Available)

Not available on Golden Tee PGA TOUR Clubhouse Edition.

Events Mode

Allow for the game to access Events mode.

Casual Difficulty

You can set the difficulty of the courses for casual games but will not impact glory or stats play. Difficulty settings can be adjusted from 1 (easiest) to 5 (hardest). The default setting is 2.

Pre-game Casual Clothing

This setting allows a random selection of 30 clothing items (including new clothing but not promotional items) available as a quick selection in Casual format. There are 10 random item types of shirts, pants and hats.

Mulligans

Mulligans allow casual game players to retake a bad shot during their game. To disable this feature select OFF.

Reset Values

This will reset all Golden Tee Settings to their factory defaults.
